Saemaul Song

Verse 1

Morning bells are ringing, A new morning is coming.
Let us get up, you and me, to build a new village.

Verse 2

Remove the thatched house, and widen the village road.
Let us make our hills green, and take good care of them.

Verse 3

Let us help each other and toil, sweat and work hard.
Let us raise our income and make our village rich.

Verse 4

Let us work hard together to make our country better.
Let us work diligently to transform our country.

Refrain

Let us build our village a good place to live in.
